**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have sent a letter before for net neutrality. I am now sending another letter asking the FCC be open and fair to offer competition across the US. I am not happy with just a single or sometimes just two ISPs. I am an IT specialist and have been in the industry for 30 years. I know how important easily accessible, affordable broadband is to my family, school, and businesses. I disagree with AT&T, Comcast, US Telecom, etc. undermining competitive market entry and new network deployment. Please, for everyone and the future of America, pass net neutrality and enable competitions.
